BES/593/WK

Dear Parents,

The Benghazi European School and the British School of Benghazi will be holding a joint bazaar - (for the parents of both schools exclusively) - in the first week of December. You are all invited and we are counting on your support. This is an opportunity for parents, staff and students to share an enjoyable evening and to get to know one another in a less formal setting. All the proceeds from this event will be donated to the Children's Hospital of Benghazi.

We will be concentrating on the sale of crafts, cakes, toys, herbs and plants, bric-a-brac, art work, raffle items and an auction with more elaborate items. We would very much appreciate your invaluable help in the form of donations for any of the stalls and especially for the raffles and auction.

Invitations will be sent out in the coming weeks. Please support our event by attending and donating any little thing you can. We want the event to be a great evening for all and we are counting on your cooperation!

With my very best wishes

Walid Kambargi

Director
