Dear Parents and Students,

Our Online Distant Learning Programme has been running very successfully over the past week; I am able to report that 90% of our students have participated. They have clearly enjoyed this new method of interacting with their teachers and with each other.

I would like to take this opportunity to thank the Students, who show clear dedication to their studies, Parents who have provided their children with the necessary tools to enable them to participate in this new method of learning, and last, but not least, our Teachers, who took on the challenge of preparing themselves to be able to deliver their classes using new these methods. Effectively, teachers are giving many more hours to their students than they would have had to, using the traditional method of the school classroom. Lastly, I would like to thank the BES Crisis Management Team. I would like to express a very special thanks to Mr. Walid and Mr. Jamal, for the tremendous amount of work and effort they have dedicated to ensuring that the platform works efficiently for both students and staff.

As you are all aware, our Online Distant Learning Teaching will continue to the first day of Aed El-Aftar. The End of Year exams will take place after the celebrations. Parents should contact Mr. Zayed Mahmoud, on 0925479060, to show their continued support to the school.

Stay Safe, Stay Home, Be Happy
George Sayannos
Chairman of the Board
